Leed Mechanical Group
#206 - 18428 53rd. Avenue
Surrey, B.C. V3A 7A8

Dear Peter and Paul,

We are very pleased to offer you a letter of reference for Leed Mechanical Group.

As you know, Genex Development Corporation is a developer of custom homes, townhomes and condominiums in Surrey and we are recognized for creating architecturally innovative designs that represent today's trends in living spaces and interior design.

To meet our customer needs, we require reliable trades who have high integrity, fair pricing, and uncompromising quality. Your company has met or exceeded each of these requirements over the past 4 years working on our recent Gemini project. Your work has been completed on time and on budget and has met our specifications throughout this project. We've appreciated your accessible hands-on management approach as you follow through on commitments.

Genex has been recognized 10 times with Gold Georgie Awards, an honour bestowed upon us by our peers in the construction industry. This would not be possible without professional and committed trade partners like Leed Mechanical Group.

We look forward to working with you in the future.

Sincerely,

A handwritten signature in black ink, appearing to read "Allan O. Ullrich".

Allan O. Ullrich
Project Manager
Genex Development Corporation
